NOTE RC 1382

SUBJECT I submit herewith proposals for the revision of the scale of income and expenditure in the temple of Sri Ranganthaswami at Sorab.

2. The proposals were drawn up by Mr.G.Aravamudu Iyengar after a personal inspection and enquiry and in consultation with the local officers and other persons interested in the Institution. The Deputy Commissioner of the Shimoga District who was also consulted states that the scale is suitable and may be adopted.

3. The memorandum attached thereto explains the scope of the revision and - - I request the sanction of Government to the said proposals.

Muzrai Superintendent.

M E M O R A N D U M.

Sri Ranganathaswami temple at Sorab is a Muzrai Institution in receipt of a Malnad Cash Grant of Rs.215-14-0 a year.

The following inam lands are also endowed to it:--

Kind.	Extent.	Assessment.
Dry.	4 10	0 12 0
Wet.	33 5	121 4 0
Garden.	1 22	6 0 0

The temple is also in possession of extensive Kandayam lands which seem to have been in the enjoyment of third parties, only a nominal income being derived for the benefit of the temple. The question of taking over the lands under the control of the temple authorities and re-leasing them to the best advantage of the institution has been the subject of protracted correspondence and the Sub Division Officer of Sagar promised an early disposal of the matter when the undersigned was at Sorab in October last.

The temple gets an annual income of Rs.256/- from all sources and 282 chitni kandies of paddy from the inam and Kandayam lands. Though the total income falls a little short of Rs.1000 yet the institution may be classed as a Major one in view

of its antiquity and situation at the Taluk Head Quarters.

The scale which is in force now was fixed in 1876 and no revision has been made in recent years. As there is very little scope for a revision even now a Government order affirming the present scale is at least necessary for audit purposes.

The scale in force now has therefore been adopted in toto with the under-mentioned modifications:--

The inam and Kandayam lands are being managed by the Sanbog and no particulars as regards the Gutta derived and disbursements made could be had in the Taluk Office. If any paddy should remain at the end of the year after meeting the normal and extraordinary expenditure of the temple the sale proceeds of such balance are being credited to temple funds.

In view to systematise the temple affairs and maintain correct accounts a Parpathegar with a small allowance in kind has been provided for. A contingent grant of Rs.3/- per annum has also been provided for meeting the sundry expenses of the temple.

The cost of oil has been raised by Rs.6/- on the representation of the Dharmadarsis.

These proposals leave a balance of about Rs.20/- and 22 Kandies of paddy which is hardly

sufficient for the repairs etc. of this big temple. Ways and means to improve the temple resources have to be found out.

The disbursements to the templeservants should be made by the Taluk authorities direct instead of payments being made through the Sanbog as is the practice now.

The following gentlemen may be appointed Dharmadarsis:--

Mr. Kesava Rao.
" Nadig Lakshmana Rao.
" H. Bhaskar Rao.
" Nadig Lingappa.
" Inamdar Ayyappa Jois.

The temple had a minus balance of 9-13-4 against an invested surplus of 6-3-0 on 30th Jun
